West Coast Whale Knife™

• butter knives • paté knives • spreaders ... in the shape of a whale

Hand Crafted from the West Coast's Spectacular Arbutus Tree (Windfalls and Dead Trees)

The majestic Arbutus tree
Stretches forth towards the sea
Where whales swim ever so free
Each a West Coast treasure to me.

Now the tree
And a living symbol of the sea
Come together in a Whale Knife
Adding richness to your daily life!
